Cooperation

1. HTML&CSS TEAM create objects that can be used for the layout if the Contents Team asks the HTML & CSS team to design the website.
2. While creating the objects, the Contents Team investigates what will go inside the website.
3. When the HTML & CSS team is ready for the objects, the Content Team designs and fills the contents with the objects.
4. When this work was completed, the HTML&CSS team completed the final modification after having a meeting to gather opinions on the last part to be modified.
